THE HYDE AND WATSON FOUNDATION

Grants Guidelines and Application Procedures

Funding Objectives: The Foundation supports capital projects such as hard costs related to the construction or purchase of new facilities, building renovations and improvements, purchase of capital equipment and furnishings, and other one-time capital needs. There is limited support for medical research. Broad fields of support include education, social services, arts, health, religion, and humanities. The current geographic areas of grant support are primarily the five boroughs of New York City, and Essex, Morris, and Union Counties in New Jersey. In recent years the average grant has been around \$10,000.

Limitations: The Foundation only gives grants to nonprofit organizations with a valid tax exempt status under Section 501(c)(3) of the Internal Revenue Code, and which are classified as public charities and not “private foundations” under Sections 509(a)(1) or (2) of the code. In general, the Foundation does not accept applications for endowment, operating support, benefit fundraisers, annual fund appeals, or from fiscal agents. Grants will not be made for leases or rentals of equipment. Grants are not made to individuals, or for projects outside the United States of America.

Application Procedures:

1. A completed Grant Application Form. Document is available at the Foundation’s web site: www.hydeandwatson.org
2. A brief narrative (no longer than three pages in length), signed by an authorized official, summarizing the background of the organization and constituency served, the purpose of the appeal, project total and amount requested, anticipated time frame for the project, and how the equipment/capital improvement will benefit the organization.
3. A project budget with line items, including amount raised and balance needed.
4. An operating budget for the current fiscal year.
5. A list of corporate and foundation supporters for the most recent fiscal year.
6. A list of the Board of Directors/Trustees and their business affiliations.
7. A copy of the most recent audited financial report is strongly preferred. If one is not available, the most recent Form 990 will be accepted. If neither are available, please call the Foundation to discuss.
8. A copy of the organization’s Annual Report (if available).
9. A copy of the organization’s most recent 501(c)(3) and 509(a) IRS ruling letter.
10. Written confirmation by an authorized official of your organization that your organization is currently in compliance with all mandatory Federal and State Tax and filing requirements.

Please note that we **do not** accept proposals by email.

Applications are accepted from **November 15 to February 15** for consideration at the Spring meeting, and from **June 15 to September 15** for the Fall meeting. If the 15th falls on a weekend or holiday, the deadline will be the next business day.

Please note: There is an ongoing review of proposals during the application period; because there is a finite amount of funds budgeted for each grants cycle, you are encouraged to submit your proposal early in the application period.

If your organization is a former grantee, in accordance with our current guidelines, we will not consider any future proposals from your organization until a report is provided for any previous grants received from this Foundation. The Grant Report Form is available at our web site.

Grant proposals should be addressed to:
