Scholarships for Students with Disabilities

PURPOSE
NEWCOMBE SCHOLARSHIPS FOR STUDENTS WITH DISABILITIES
The Newcombe Foundation:
• Supports completion of degrees by students with disabilities who need financial assistance.
• Provides scholarships in partnership with selected colleges and universities that welcome enrollment by students with disabilities and are committed to their success.
• Helps its institutional partners build endowments that strengthen their long-term capacity to sustain a Newcombe Scholarships program.
**SWD program policy**

The Charlotte W. Newcombe Foundation - POLICY -

Newcombe Scholarships for Students with Disabilities

1. PURPOSE

Newcombe Scholarships for Students with Disabilities support completion of degrees by students with disabilities who need financial assistance. The Newcombe Foundation provides these scholarships in partnership with selected colleges and universities that welcome students by students with disabilities and are committed to their success.

The foundation also helps colleges and universities partner to support students that strengthen their long-term capacity to sustain a Newcombe Scholarships program.

2. ANNUAL GRANTS

A. Institutional Eligibility

Universities and colleges that enroll a substantial number of students with disabilities and provide supportive academic and counseling services for them may apply to the Newcombe Foundation for annual grants to be distributed as scholarships to the
